

Ref. JBAIAC01

**Baia model planter** made of corten steel or lacquered iron, square in shape with a taper.

Plate of the same plate welded on the upper part, to reinforce the planter and avoid possible damage with the edge of the plate.

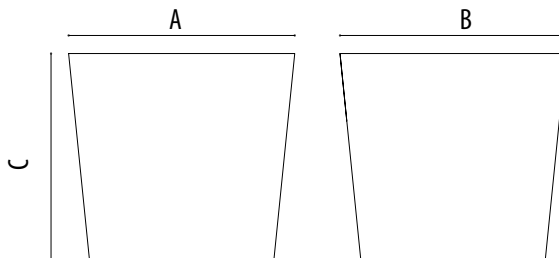

### OPTIONAL:

- Lacquered in other colors, laminated finish or stainless steel.
- Bricat corten steel finish (catalyzed varnish).
- Personalization with logo engraving.
- Other measures to consult.

Possibility to adapt our planters to hydroplanters.
