

Ref. JCURVI05L

Curvi cylindrical planter manufactured from ordinary, stainless or weathering steel bent via our bending machine.

Ideal for outdoor use, pedestrian ways, parks and gardens.

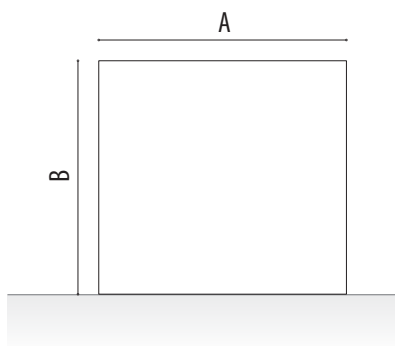

OPTIONAL:

- Lacquered in different colours, plastic coating or stainless steel finish.
- Bricat weathering steel finish (outer catalyzed varnish).
- Personalization with logo decoration.
- Upper ring plate.

It is possible to adapt our planters to hydroplanters.
