

Ref. FEAU01

Advantages:

- Urban drinking fountain suitable for disabled people. 
- Finish in oven lacquered zinc-plated steel for greater corrosion resistance.
- Tap with anti-rotation safety push button.
- No bottom grate required. It is provided with an upper drain, thus avoiding antisocial behaviours.
- See different options to supply our drinking fountains with further advantages.

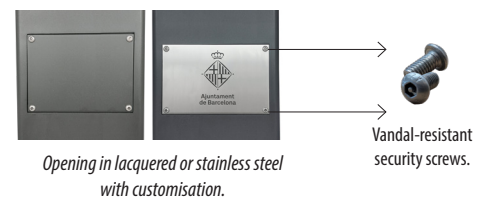

Eau outdoor drinking water fountain manufactured from 100x200 mm steel tube painted grey, stainless steel bowl and adjustable push-button bubbler tap.

Designed to suit the customer's needs, it can be single-bowl, dual level (adults, children or disabled) or with dog drinker incorporated.

Optional:

- Front or rear opening for possible repairs. It can be customised in stainless steel with a logo or text decoration of the Municipality.

- Customisation with the Municipality logo or coat of arms.

- Adjustable by adding a dog drinker.
