

### **URBAN DRINKING FOUNTAIN**

# ADO T

DROP

Optional front opening in stainless steel with personal logo.

**Drop urban plastic drinking fountain** made of recycled thermoplastic polymer and stainless steel tap fixing plate.

100% recyclable UV treated material that requires little maintenance. High resistance to impact, wear and inclement weather.

Chrome-plated steel tap with a push-button system (included).

#### Advantages:

 Vandal-resistant security screws to prevent drinking fountain's accessories from being • stolen (tap, tap fixing plate, etc....).

Vandal-resistant security screws

- Not painted. Hardly oxidized. Little maintenance needed
- Limited flexibility.
- The Tap and tap's fixing plate are interchangeable with other of our drinking fountain models
- Fixing plate installation by means of metal plugs

#### **Optional:**

 Front or rear opening for possible repairs. Customisable in stainless steel with a logo or text decoration of the City Hall.

Opening can be customised in lacquered or stainless steel

• Customisation with the City Hall logo or coat of arms.
