

Recycled material

Optional front opening in stainless steel with personal logo

Nevada dog drinking fountain in recycled thermoplastic polymer. Chrome-plated steel upper tap for drinker filling by means of a push-button system (included).

100% recyclable UV treated material that requires little maintenance.

High resistance to impact, wear and inclement weather.

Stainless steel drinker for animal use, with hole in the central part to avoid stagnant water and with side lever to tilt the drinker for later emptying

Advantatges:

- Vandal-resistant security screws to prevent drinking fountain accessories from being stolen (tap, tap fixing plate, etc...).

Vandal-resistant security screws

- Not painted. Hardly oxidized. Little maintenance needed.
- Limited flexibility.
- The Tap and tap's fixing plate are interchangeable with other of our drinking fountain models. Drinking fountains.
- Fixing plate installation by means of metal plugs.

Optional:

- Front or rear opening for possible repairs. Customisable in stainless steel with a logo or text decoration of the City Hall.

Opening can be customised in lacquered or stainless steel

Vandal-resistant security screws

- Customisation with the City Hall logo or coat of arms.
