

### LITTER BIN INSTALLATION:

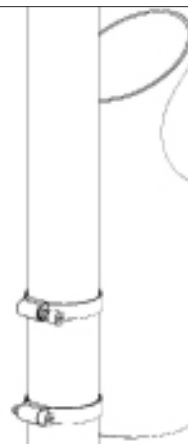

**1.**  
Installation requires:  
the ashtray and two  
flanges (included), Ref.  
BRILILLA or  
similar, as well as a  
screwdriver and the  
litter bin (not included).

**2.**  
Loosen the flange  
screw by means of a  
screwdriver in order to  
leave it open as in the  
image.

**3.**  
Insert the flanges in its  
specific holes on the  
rear side of the ashtray.

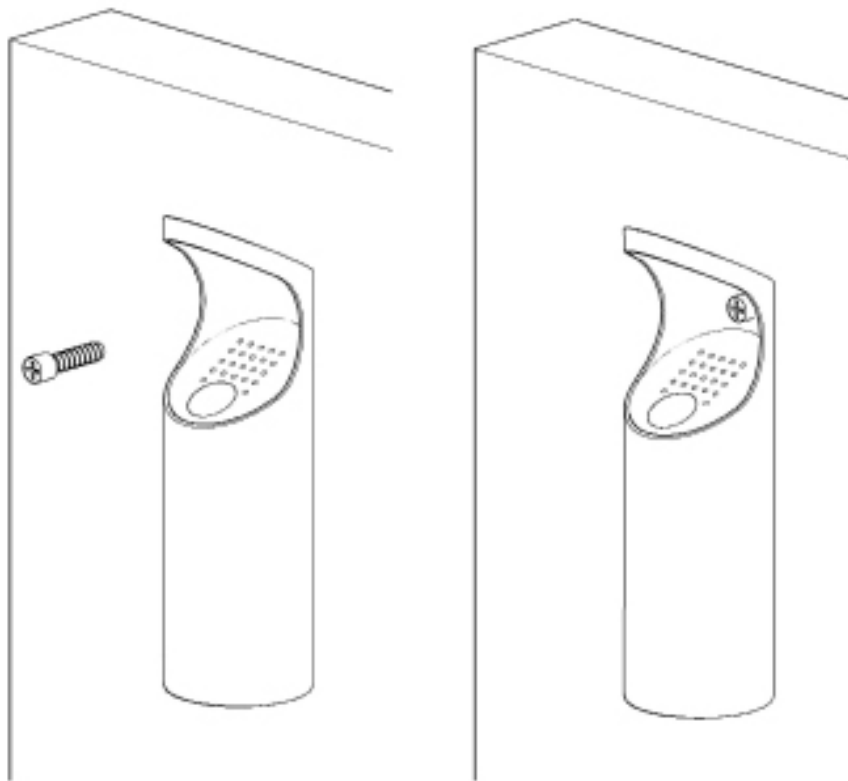

**4.**  
Fix both ashtray and  
flanges on the litter  
bin post, close the  
flanges and tighten  
the screw.

● INCLUDED:

● WALL INSTALLATION:

To fix the ashtray at the wall, place it on the selected spot and screw. The hole can be made right before screwing. Screw not included.
