

Ref. BKING1.0

MEASURES:

- Width: 50 mm.
- Visible height: 1000 mm.
- Total height: 1200 mm.
- Length: 845 mm.

King model modular urban railing built with handrails and perforated sheet metal inside.

It is one of the safest railings on the market thanks to its rounded edges, thus avoiding possible damage caused by conventional railings with sharp edges.

Its safety, high resistance, durability and aesthetics make it the best option.

STANDARD FINISHES:

To embed:

- Galvanized Ref. BKING1.0
- Oxiron Ref. BKINGON1.0
- Stainless steel Ref. BKINGI1.0

With plate:

- Galvanized Ref. BKING1.OP
- Oxiron Ref. BKINGON1.OP
- Stainless steel Ref. BKINGI1.OP

*Rounded edges
+ Security
+ Aesthetics*

RAILING

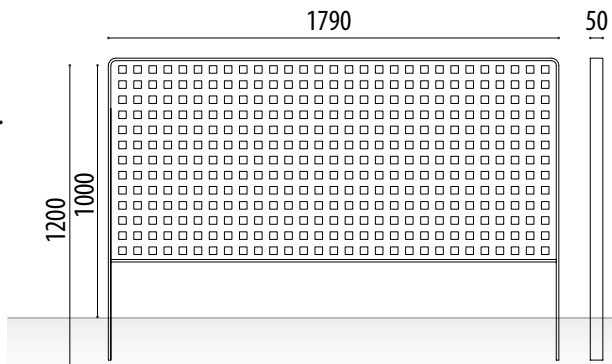

KING (1790 mm.)

Ref. BKING2.0
