

**Triangular surveillance mirror** specially developed for shops and supermarkets. The mirror is discreet and gives cashiers a quick and clear view of shopping carts as they pass through the checkout.

Easy to install on wall or ceiling.

### MODELS:

310x380x310 mm..... **Ref. ESPEVT**

### FEATURES:

- Made with impact resistant acrylic (70% stronger than impact glass).
- Mounted on a flexible arm that allows the mirror to be positioned at the desired angle.

**Ref. ESPEVT**

### MEASURES:

Width: 310x380x310 mm.

Weight: 1,5 Kg.

Vision: 1 - 3 m.
