

**Wood model** mixed planter made up of tropical wood slats with an internal structure of galvanized sheet steel and lacquered iron legs.

Modern and elegant planter with a combination of both materials (wood + metal).

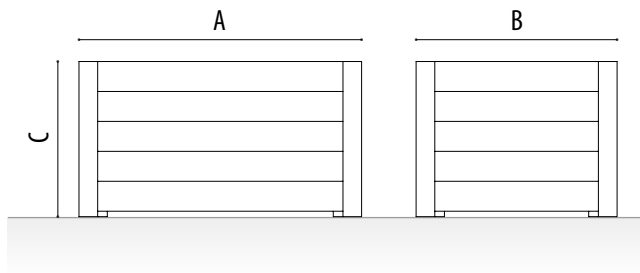

### OPTIONAL:

- Lacquered in other colors, laminated finish or stainless steel.
- Height-adjustable lower legs in stainless steel.
- Bricat corten steel finish (catalyzed varnish).
- Personalization with logo engraving.
- Other measures to consult.

**Possibility to adapt our planters to hydroplanters.**
